To President Miller

To say I was disappointed, surprized and yes, angry when I read your words in the last ApHCC newsletter would be an understatement. If you felt that way about our club, then maybe you should have contacted us directly but a public scolding! I believe that an apology is in line.

To say our SAHC is not doing its part! WE are the only really active club in the entire country – holding six successful horse shows each year, sending approximately one-third of all participants to the National Show, sponsoring hundreds of dollars each year for CNAS awards, providing our club`s equipment for the show and working in the office, ring and stable area at the Nationals over the past several years. We also have hosted the ApHCC annual convention a few years ago. If none of these things count with you then, yes I guess we are guilty of not doing our part for the ApHCC.

Yes, we sent in several recommendations for what we believed would improve the CNAS. Your show chairman asked us to do this. All we have ever wanted was to make the ApHCC and the CNAS the best it could be!

We in Saskatchewan will not be scapegoated for any problems you may experience in the ApHCC. I do not believe in public letters but I feel your words left me no choice. Hopefully we both can move forward from this for the common good of the Appaloosa.

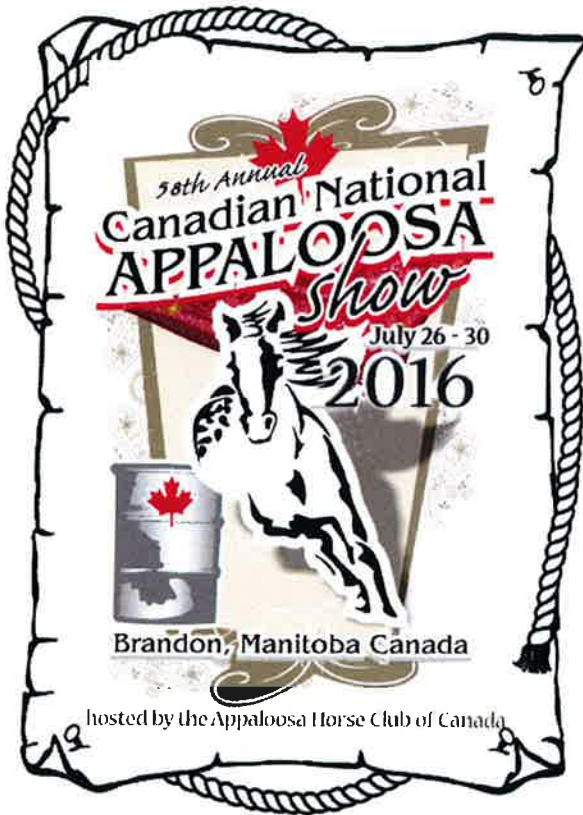

Respectfully,

Karen Bedford
